District Superintendent's Report

The 2013-2014 school year was marked by outstanding performance and growth for the students, teachers, staff, and communities of Chesterfield County. Our team is working to provide a high quality educational experience for the approximately 7400 students who make up our district. The success of our school district will be vital to the future success of our students and our county.

Our district is meeting the challenges that are presented to us academically and economically to perform at high levels. The dedication and commitment of our staff, parents, Board of Trustees, and other community leaders have allowed us to set high goals that we will work together to obtain.

During the 2013-2014 school year, five of our schools were recognized as Palmetto Gold and/or Silver recipients for high academic performance. The schools recognized were Cheraw High, Chesterfield High, Jefferson Elementary, McBee Elementary, and Ruby Elementary.

The career and technology programs of Chesterfield County also enjoyed an extremely successful year with 221 high school students who completed a program of study in their chosen career cluster pathway. Research shows that high school students involved in Career and Technical Education are more engaged, perform better, and graduate at high rates.

Cheraw Intermediate School has been awarded an EEDA At-Risk Innovative Grant in the amount of \$285,447 over a 30-month period. The program, entitled Project Changing Course, will help promote students academically and socially for success in school.

This year's graduating seniors earned over \$9 million in academic achievement scholarships. The performing arts groups at all schools had an outstanding year. The marching bands from Cheraw, Chesterfield, and McBee High Schools qualified for the finals, and the Chesterfield High and Cheraw High bands received the Outstanding Performance Award. Central High and Cheraw High MCJROTC programs were honored as Units of Distinction.

The athletic programs at all four high schools also enjoyed success with nine teams winning region championships. The Central High boys' track team won the state championship.

The students, faculty, and staff of Chesterfield County Schools also worked to give back to the community. Our school district was an integral part of the county United Way campaign, Relay for Life, and First Steps fundraising efforts. This active participation by students and staff in worthwhile causes helps our district to model the caring attitude that is a trademark of Chesterfield County.

Chesterfield County Schools continues a long tradition of meeting the educational needs of our students and community. We are excited about meeting the challenges to provide a world class educational experience.
